PROFILE SUMMARY

| Frontend Developer (Fresher)
Chennai, India

- Frontend Developer skilled in HTML5, CSS3, JavaScript, and React.js.
- Passionate about building responsive, accessible, and modern UIs.
- Familiar with tools and libraries like Tailwind CSS, Framer Motion, Git, and Vite.
- Strong understanding of UI/UX design principles and clean code practices.
- Eager to learn and grow in real-world development environments.

PROJECTS

E-COMMERCE WEBSITE | Full Stack Developer
2025 | React, Tailwind CSS, Node.js, MongoDB

- Built a full-featured e-commerce website with product filtering, searching, cart system, and order processing.
- Implemented responsive UI with React and Tailwind CSS, and backend with Node.js and Express.
- Managed global cart state using React Context API and persisted data with localStorage.
- **Live Project:** forever-sage-chi.vercel.app

PDF UTILITY TOOLS WEBSITE | Frontend Developer
2025 | React, Tailwind CSS, File Handling

- Developed tools for PDF operations like Merge, Split, Compress with file preview, reorder, and drag & drop.
- Designed multi-step interfaces using reusable components and route-based UI rendering.
- Ensured mobile responsiveness and integrated dark mode throughout the UI.
- **Live Project:** i-love-pdfweb-mygw.vercel.app
